

## 2010-11 High School Science Supply List (Dralle)

### General Supplies for ALL Courses

- Paper (looseleaf or spiral notebook) {optional paper punch??}
- Organizational System --> 2" 3-ring binder and dividers or separate pocket folders (if you use a 3-ring binder, page lifters and adhesive hole-fixers are essential)
- Writing Utensil (pencil or blue/black ink pen, NO OTHER COLORS)
- Highlighters
- Colored pencils
- Ruler (both inches and centimeters)
- Scientific calculator (NO GRAPHING CALCULATORS!)
- Flash Drive (1-2GB)

### Chemistry

- *Lab goggles (we will discuss what type in class)*
- Graph paper (4 squares per inch or ¼")
- *Report binder (paper or plastic, must have the three bendable metal clips)*

### Physics

- *Graph paper (4 squares per inch or ¼")*
- *Report binder (paper or plastic, must have the three bendable metal clips)*

### Principles of Engineering (these supplies are required by the course)

- *Bound (not spiral or looseleaf) engineering notebook with graph paper format (may be either full size or composition notebook size)*
- Mechanical pencil or fine-point black ink pen

### Introduction to Chemistry / Conceptual Physics

Two (2) spiral-bound, college rule notebooks per course

*(Items in italics are included as part of class grading)*
